Man, I wish
we could get
a break on
account of
this heat.

Nwhm.

Have you
returned
from a
sortie?

...!

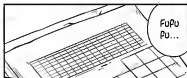

?

?

Eu-
reka,
Chiku-
ma!

FuPu
Pu...

Fortunately,
somebody left
these cata-
pult rein-
forcement
blueprints
lying out!

Well...

If it makes
you happy,
Nee-san...

And
add
that...

...If
we do
this,

Right,
so we
will only
borrow them
while the
Admiral is
away...

Uhh...

What are
you going
to do with
those?

They seem
pretty un-
important...

Com-
mence
the
Flap-
ping!

Well,
I guess
these
clothes
do look
pretty
cute.

Pay it
no mind!
You'll forget
all about it
as soon as
you start
Flapping.
Chikuma!

Are you
ready?

flap...
flap...
creek

flap flap flap
flap flap
